INMATE GRIEVANCE PROGRAM CENTRAL OFFICE REVIEW COMMITTEE	Facility Green Haven Correctional Facility		
	Title of Grievance Assaulted By Officers In Retaliation For Grievance		

GRIEVANT'S REQUEST UNANIMOUSLY DENIED

Upon full hearing of the facts and circumstances in the instant case, the action requested herein is hereby denied. CORC upholds the determination of the Superintendent for the reasons stated.

CORC notes that this matter has been properly investigated by the facility administration, and that the grievant was involved in a documented Unusual Incident and Use of Force on 4/21/15 when he assaulted staff. He was promptly seen by medical staff for scratches and an abrasion on his head, swelling to his head and nose, and three lacerations on his right leg. In addition, CO's B..., D..., Go..., Gr..., N..., O... and R... deny using excessive force on him and Sgt. M... denies threatening him or making inappropriate comments. It is noted that the grievant's witness was interviewed, however, the allegations remain unsubstantiated.

CORC notes that Directive #4040, § 701.1, states, in part, that the grievance program is not intended to support an adversary process.

With respect to the grievant's appeal, CORC notes that Directive #4040, § 701.6 (b) states, in part, that no reprisals of any kind shall be taken against an inmate or employee for good faith utilization of this grievance procedure. An inmate may pursue a complaint that a reprisal occurred through the grievance mechanism. CORC has not been presented with sufficient evidence of malfeasance by staff, and notes that he has since been transferred.

(49) Retaliation

To: Offender Grievance Committee

From: [REDACTED]

#79714-13

Date: April 25, 2015

Subject: Unprovoked, Malicious; sadistic, excessive,
and retaliatory use of force

Description of Incident: As a result of a most recent grievance filed by me under GH-79241-15 on March 13, 2015 against Officer Michael T. Nagy, which was investigated on March 21, 2015 by Sgt. P. Moreau concerning harassment and denial of meals.

On April 21, 2015 at 1:35 p.m. I was subjected to unprovoked; malicious; sadistic, excessive and retaliatory use of force by officers [REDACTED] Tagliaferri; Michael T. Nagy; [REDACTED] Grasso; [REDACTED] Goetz; [REDACTED] Brothers; [REDACTED] Desantis and [REDACTED] Rivers.

During the March 21, 2015 interview, Sgt. P. Moreau concerning my grievance filed under GH-79241-15 I was threatened by Sgt. Moreau ... thereafter officer Nagy met with Sgt. Moreau and sought his approval to carry out an unprovoked assault against me which he approved.

As such on April 21, 2015 at 1:35 p.m. as I was attending my assign program I was the only prisoner pulled out for a search and frisk on the [REDACTED] Block flats; where I was isolated from other prisoners and assaulted.

When I was placed in restraints and removed from the floor Sgt. P. Moreau immediately stated:

I told you my officers would get you. Do you still want to file anymore grievances.

Supt. Thomas Griffin: Dep. Supt. of Security Donald Wilkins and their entire executive team are all knowledgeable of the fact that since Governor Andrew M. Cuomo announced his political agenda to (1) end over time for correction officers with 25 years or more on the job who's yearly income cost the state \$80,000.00 ... and replace them with new officers who's yearly income only cost the state \$40,000.0 ... the correction officers union has issued a directive to the officers to "usurp" the governors authority ... as such the officers has began provoking and staging use of force incidents through out New York States prisons. As such use of force and even murders of prisoners has escalated ten times the amount within the prior 4-months with impunity.

Additionally, Supt. Thomas Griffin and Dept. Supt. of Security Donald Wilkins who are both responsible for supervising offices were knowledgeable of Green Haven Corr. Facility Policy, custom and practice to retaliate against prisoners who utilize the prisoners grievance mechanism petition government officials or the courts concerning staff conduct ... however they deliberately exercise willful blindness ... conscious avoidance ... knowing acquiescence and tacit approval in order to encourage and perpetuate staff conduct.

More overwhelmingly Supt. Thomas Griffin has promulgated or allow to continue with his knowledge a inmate grievance investigation policy, practice and custom that renders bureaucratic, self-serving, determinations based on departmental and institutional loyalty. Which renders boilerplate determinations fixed on ready-made, standardized contractual language that he view as non negotiable, for example:

Staff has submitted written statement denying all allegations .. as such; I find no evidence to support any wrong doing of any staff.

This grievance investigation policy undermines any procedure of detecting and monitoring staff retaliation and malicious, and sadistic use of force, and sever only to embolden, encourage, and perpetuate staff widespread, pervasive malicious and sadistic use of force and retaliation against prisoners with impunity, and was the direct cause of the assault against me.

Pursuant to Directive no. 4040 § 701.6(g)(1) I hereby request a 45 day extensions to file this grievance, since my initial attempt to timely file this grievance was circumvented by Ms. Laura a. Stanaway in violation of § 701.5(b)(4)(i).

Relief: For a determination to be made that (1) unprovoked, malicious; sadistic, excessive and retaliatory use of force was carried out against me on April 21, 2015 ... (2) the officers union directive to officers to provoke and stage use of force incidents for the purpose of "usurping" the governors political agenda and the grievance investigation policy was the direct cause of the April 21, 2015 use of force against me ... for the commissioner of New York State DOCCS to order the indictment, prosecution and punishment of Supt. Thomas Griffin For willful neglect of duty pursuant to New York State Corr. Law § 126.
